

HOLIDAY GREETING

2013

The days are much shorter, and a few flakes have fallen,
As the kiddies all wait for Santa to come callin'.

It's hard to believe it's already been a year,
Since we wished you all Peace, and Holiday Cheer.

The months have flown by, as they always do,
Business is still "Pickin' up", with a small change or two.

We bought another split truck, on the road you'll soon see,
Where we started with just one, now we have three.

They roll through our routes, and take all your stuff,
This used to take two trucks, but now one is enough.

We take three (32 gal) cans of trash, as we've always done,
But now your recycling all goes together, everything all-in-one.

No more sorting and stacking, like you all always did,
It all goes in one can now, with a snug fitting lid.

The transfer station wants loose cardboard & paper that's dry,
And it also keeps milk jugs and bottles from trying to fly.

With no bundles to tie, or white bags to buy,
It'll go so much easier, just give it a try.

If you need a special pick-up, whether large or small,
Just pick up the phone and give the office a call.

One thing you can do, to save us both some stress,
When you mail your next check, add your email address.

We won't send you junk mail, we have a much better reason,
It's for holiday pick-up reminders and info during snow season.

Our days work is never easy, sometimes it's a real test,
But one things for sure, as customers go, you're really the best!
