"10th Anniversary Garbage Poem"
by A Friend

T'is on a famous dumping ground,
The garbage men are gathered 'round.
From far and near the dumpsters are there
Whose deeds the garbage men declare.

Ah me, I wonder if any of you,
Have ever heard of the Layton two?
Whose fame through all this region rung,
Ten years ago when the business was young!

Eldon, Flos and crew, have tried their best,
It's cost them something of a sweat,
But inspite of all the trials and tears,
They've been around for the last ten years.

Although we've broken down a time or two,
For your calm and patience we say "Thank you!"
Even though there are problems galore,
We hope to be here for many years and more,
Wishing you all MERRY CHRISTMAS,
and a HAPPY NEW YEAR!
